RE: ACCEPTANCE OF APPLICATION AND ISSUANCE OF A NEW REGISTRATION PERMIT FOR A MEDIUM VOLUME TRANSFER/PROCESSING FACILITY, CALIFORNIA WASTE SOLUTIONS 10TH STREET RECYCLING FACILITY LOCATED AT 1820 10TH STREET, OAKLAND, CA 94607 (SWIS No. 01-AA-0324)

Dear Mr.Duong,

On September 25, 2018, Alameda County Department of Environmental Health, the Local Enforcement Agency (LEA) for California Department of Resources, Recycling and Recovery (CalRecycle), received your registration permit application for the subject facility. The application and Facility Plan describe a Medium Volume Transfer/Processing Facility that will receive and process up to 100 tons per day (tpd) of commercial and residential recyclable materials.

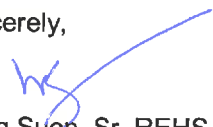

The registration permit application was deemed complete and correct and accept for filing on September 26, 2018. Enclosed is the Registration Permit with the accepted application for the facility issued on September 27, 2018. A copy of the Registration Permit shall be maintained at the facility's office. Any change in the design or operation at the facility is subject to review by the LEA before implementation. A copy of the Registration Permit is also being provided to CalRecycle.

A copy of the Public Notice is also enclosed. Please post the Public Notice at a conspicuous location at your facility.

The Medium Volume Transfer/Processing Facility is subject to the requirements of the Transfer/Processing Operations and Facilities Regulatory Requirements, Title 14, California Code of Regulations (CCR), Articles 6.0, 6.1, 6.2, 6.3, and 6.35. Additionally, please be advised that nothing in Title 14, CCR, Chapter 3.2 shall be construed as relieving the owner, operator, or designee from complying with any other local, state and federal permits, license, or other requirements.

Thank you for your cooperation throughout the permitting process. Should you have any questions or concerns, please feel free to contact me at (510) 777-2218 or wing.suen@acgov.org

Sincerely,

Wing Suen, Sr. REHS
Alameda County Department of Environmental Health
Office of Solid/Medical Waste Management
